# Local hero, on Xero

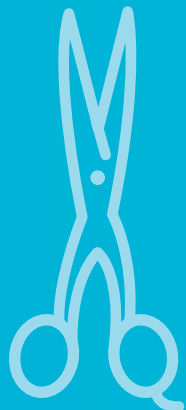

For Belinda Lombard, life is pumping with events, staff and two kids on the go. She takes it in her stride. “I was never going to be a sandbox Mum. We work all the time – but at least with Xero it gives me a little bit of extra time at the end of the day. I can have my cake and eat it too.” See how she does it and Xero in with a free 30-day trial at [xero.com/bayofplenty](https://xero.com/bayofplenty)
